The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the owner's membership. No owner, whether one or more persons, shall have more than one membership per lot or parcel. In the event of multiple owners of a lot, votes and rights of use and enjoyment shall be as provided in this Declaration and in the by-laws of the Association. By virtue of purchasing one or more lots, each owner and every occupant of a lot agrees to 1) abide strictly by the by-laws, rules and regulations which will be passed from time to time by the Association, the use restrictions, as they may be lawfully amended or modified from time to time, and the covenants, conditions, and restrictions set forth in

this Declaration and in the deed to his or her lot, if any; and 2) to promptly pay any and all dues which may be levied from time to time by the Association for the maintenance, protection and operation of any amenities or common areas on the Property owned or operated by the Association. The dues, which may be levied by the Association, shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the owners. The Association may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws or the rules and regulations of the Association shall be grounds for an action to recover monetary damages or injunctive relief, or both, maintainable by the Association on behalf of the Association, or in a proper case, by an aggrieved owner. The failure of the Association or any owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter.

Each owner shall be personally liable for his or her portion of the dues while he or she is the owner of a lot. In the event that any owner fails to pay any dues, which are passed and levied by the Association on all owners, the unpaid dues shall be a lien upon the property of such owner. The lien may be further evidenced by the recording of an affidavit of the President of the Association, setting forth the unpaid amount and the description of the property against which the dues were levied. Any unpaid dues shall bear interest at the rate of twelve percent (12%) per annum until paid.

After the commencement of assessment of dues, the Developer, and its successors and assigns, covenants and agrees to pay the full amount of the dues provided herein for each lot it owns having an occupied residence thereon; provided, however, each lot
